Dear ORR Staff and Care Providers,

Please see the attached updated form (in English and Spanish) explaining UACs' option to request *Flores* bond hearings. This form, the Sample Motion Requesting Bond Hearing, and a list of immigration courts near secure and staff secure programs will be posted as part of the UAC *Legal Resource Guide*, available at <https://www.acf.hhs.gov/orr/resource/unaccompanied-childrens-services#legal>.

ORR is currently developing updated procedures, and will communicate them when they are finalized. In the meantime, please follow the instructions below. **When notifying ORR of request, please send notifications only to [REDACTED] [REDACTED] – please discontinue emailing requests to [REDACTED] and [REDACTED]**

1. Give the attached form to UAC entering ORR custody (within 24-48 hours of admission for UACs in secure, staff-secure, or RTC care; upon request for all other UACs, or for UAC denied release due to dangerousness)
2. If a UAC requests a bond hearing:
 - a. Notify your FFS;
 - b. Provide the UAC or UAC's attorney with the attached form and the Sample Motion Requesting Bond; and
 - c. Notify [REDACTED], providing a copy of the **signed and dated** form and a completed Sample Motion.

Please email us at [REDACTED] if you have any questions about this policy or form.

Thank you,
